

In the past three months, we have published new resources across seven different subjects in the Doodle Suite, all designed for the latest specifications. We will continue to work on a range of new resources over the summer.

## Maths

We are currently publishing new quick tests and revision activities for KS3 and KS4, mapped to all current specifications.

## Science

We have now published new GCSE mini quizzes and practical quizzes, as well as resources to address Maths for Science.

## ICT & Computing

We are currently publishing new GCSE mini quizzes for OCR and other exam boards, designed for the 2016 specifications.

## Geography

We have published ten new pairs of progress tests, covering cartographic skills.

## English

We have published 13 new quizzes, and four revision activities for *The Sign of Four*. We have also created Knowledge Organisers for some of the key KS4 literature texts.

## Spanish

We have published ten new translation resources, including tutorials. These are for KS4, covering the 2016 specifications. We will soon be publishing KS4 topic quizzes.

## History

We have now published six new quizzes on the Elizabethan era. These are KS4 quizzes for the 2016 specifications, covering modules for AQA, Edexcel, and OCR.

We have included a full list of all new resources on the next page

To find resources mapped to the latest specifications, head to the Resources tab on any subject. Click on the spanner next to 'specifications' and choose the relevant exam boards for your teaching.

Use the 'Get list' function in the top right corner under the Resources tab to produce a spreadsheet detailing all resources available in a chosen subject, or for a selected exam board.

## Maths

### KS3 quick tests:

- Geometry: 7 new quick tests
- Number: 8 new quick tests
- Algebra: 2 new quick tests
- Ratio: 4 new quick tests

### KS4 quick tests:

- Geometry: 19 new quick tests
- Number: 14 new quick tests
- Algebra: 11 new quick tests
- Statistics: 2 new quick tests

## Maths

### KS3 animations:

- Geometry: 36 new animations
- Algebra: 9 new animations

### KS4 animations:

- Geometry: 7 new animations
- Algebra: 14 new animations

## History

### Elizabethan era, 1558-1603:

- Elizabethan Exploration
- Challenges During Elizabeth's Reign (AQA, OCR version)
- Challenges During Elizabeth's Reign (Edexcel version)
- Elizabeth's Early Reign
- Religion in Elizabethan England
- Elizabethan Culture and Society

## ICT & Computing

### Algorithms:

- Computational thinking
- Searching and sorting

### Programming techniques:

- Programming concepts
- String and file handling (OCR)

### Data structures:

- Data structures
- Databases and SQL
- Arrays

### Computational logic:

- Binary logic
- Maths and logic

## Spanish

### Translation quizzes:

- Four foundation translation into English
- Four higher translation into English

## Maths

### KS3 revisions:

- Geometry: 9 new revisions
- Number: 7 new revisions
- Algebra: 2 new revisions
- Ratio: 5 new revisions

### KS4 revisions:

- Geometry: 26 new revisions
- Number: 12 new revisions
- Algebra: 15 new revisions
- Ratio: 3 new revisions
- Probability: 2 new revisions

## Science

### Physics practical quizzes:

- AQA Force and extension
- AQA Waves
- AQA Radiation and absorption
- OCR Materials
- AQA Acceleration
- OCR Forces
- OCR Energy
- OCR Circuits

### Biology practical quizzes:

- AQA Microscopy
- Edexcel Microscopy
- AQA Osmosis
- Edexcel Osmosis
- AQA Human reaction time
- AQA Enzyme activity
- Edexcel Enzyme activity

## Geography

### Cartographic skills:

- Distribution of map features
- Landscape features on maps
- Latitude and longitude
- Four-figure grid references
- Six-figure grid references
- Ordnance Survey symbols
- Gradient, contour lines and spot heights
- Choropleth maps
- Isoline, flow-and desire-line maps
- Photographic evidence

## Spanish

### Translation tutorials:

- Foundation translation into English
- Higher translation into English

 Quick test	 Tutorial	 Exam quiz
 Animation	 Revision activity	 Worksheet
 Practical quiz	 Mini quiz	 Progress test

## Science

### Chemistry mini quizzes:

- AQA Atomic models
- AQA Atoms and subatomic particles
- AQA Atomic mass and electronic structure
- OCR GW Atomic structure
- OCR 21st Atomic models
- Edexcel Atomic structure
- Edexcel Atoms and atomic mass
- Edexcel Atoms and atomic mass higher tier

### Biology mini quizzes:

- AQA Photosynthesis higher tier
- OCR GW The nervous system
- OCR 21st The nervous system
- Edexcel The nervous system
- AQA The nervous system

### Physics mini quizzes:

- Physics equations
- Solving physics equations 1
- Solving physics equations 2

### Maths for Science quizzes:

- Area, surface area and volume
- Mean, median and mode
- Decimals
- Probability
- Sampling
- Equations
- Fractions, percentages and ratios

## English

### The Sign of Four:

- 12 chapter-by-chapter quizzes
- 1 character quiz
- 4 revision activities

## English

### Knowledge Organisers:

- Romeo and Juliet
- Macbeth
- Dr Jekyll and Mr Hyde
- A Christmas Carol
- An Inspector Calls
- Frankenstein
